Dear Mr. Mukherjee

**Secretary  
Secrétaire**  
SYDNEY GOLDENBERG

Please find attached the Canadian Civil Liberties Association's (CCLA) preliminary report of our observations made during the G20 Summit entitled, *A Breach of the Peace*. The report is based on the first-hand observations of 50 CCLA human rights monitors who were dispatched by our organization to monitor respect for constitutional liberties at G20-related events and demonstrations. In our view, despite instances of commendable and professional conduct, the policing and security efforts at the G20 Summit, especially after 5PM on June 26 and June 27, failed to demonstrate commitment to Canada's constitutional values.

ELAINE SLATER

**General Counsel

The report concludes with a series of recommendations, several of which are directed to the Toronto Police Service. We hope you afford them the close attention and consideration we feel they rightly deserve.
