Dear General Counsel Des Rosiers,

Thank you for your letter of 1 October 2010 regarding the G8 and G20 Summits.

I thank you for bringing the preliminary report on G20 policing to our attention. I have forwarded it to the team responsible for this audit.

Several of the issues you raise in your letter are policy decisions of the government. The legislation that governs our work does not give us the mandate to evaluate the merits of government policy, or to comment on them.

I thank you for your interest in the work of my office.

Yours sincerely,

Sheila Fraser, FCA
